Re: IBM Patent Application: ST9-99-084

Application #: 09/387,796

Filing Date: September 1, 1999.

Title: Color and Symbol coded Visual cues for Relating Screen Items to Each Other.

Dear Ricardo

We are in need of your assistance regarding this patent application.

Enclosed please find a copy of the Application as filed, including Specification, Claims and Drawings along with a copy of a new Declaration that needs to be signed by you in order to add Robert Medl as an inventor. Please review the application before signing. Please note that we only have a P. O. Box for your address, please neatly insert your residential address and initial and date this change. Please return this paperwork to us as quickly as possible. A stamped self-addressed envelope is enclosed for your convenience. If you have any questions please give me a call right away.

Thank you very much for your assistance in this matter.

Regards,
